

MASS DEMS

LISTING TOUR

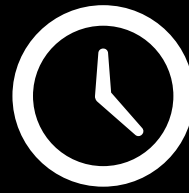

SOUTH SHORE MEETUP

In preparation for the 2026 election campaign cycle, the Massachusetts Democratic Party is hosting a statewide listening tour. The tour was announced in November, with tour dates listed by congressional district. The listening tour's goal is to engage the Commonwealth's communities by allowing them to assess the results of the 2024 elections, recognize successes, and identify areas for improvement. For the full schedule, visit the link below or scan the QR code.
